- Please have all items out by 6 am as our routes do change.
- Thank you for your cooperation and for recycling.
 Your efforts do make a difference!!

SORTING PROCESS AND END-MARKETS Updated 5.12.19

All of your recycling is delivered to a licensed approved recycling facility permitted by each County. All materials are sorted, prepared and delivered to end-markets to be processed back into new paper, plastic, glass, aluminum and tin products. It is important to NOT contaminate your recycling materials with unacceptable items. Please rinse containers clean, and break-down any excess cardboard. Please do not throw trash in recycling cart. If you have a question on recycling - please contact our office at 651-457-7497.

NO CELL PHONES, BATTERIES, PLASTIC BAGS OR SYRINGES!! Thank you for recycling
